OOPS...MAKE THAT 12 TIMES FOR AUTUMN-JADE

Dear *Voluptuous*,

In your April '04 issue, you once again featured my all-time favorite beauty—the awesome Autumn-Jade.

You stated that she has appeared in *Voluptuous* for the 10th time. Sorry to differ with you, but by my count this is her 12th appearance. She has appeared in the Oct. '98 issue as just Autumn and in the April '00 issue as Autumn again, but with Chloe Vevrier. Don't these two count?

Anyway, I have 12 great issues of her, and I am looking forward to you folks having many more of this all-

natural beauty. Thank you.
M.C., Pittsburgh, PA

Dear M.C.: We stand corrected! Twelve appearances for Autumn (Autumn-Jade) it is, and many more to come.

"I CAME OVER EVERY GIRL IN THE MAG..."

Dear *Voluptuous*,

The April '04 issue can only be described by three words: "It's The Bomb!" I'm a 44-year-old porn aficionado, and in all the 26 years that I've bought magazines (literally hundreds), this was only the second time that I came over every girl in the magazine. The first time was also with *Voluptuous* (the Feb. '03 issue).

Desirae, Casey Cleavage, Chaka T., Anja, Victoria, Lilith, Angelica Raven, Nadine Jansen, Mandi Hart and Autumn-Jade all caused me to shoot major loads. But the one model who got my gonads going the most was Josephine.

In an issue with Nadine Jansen, Autumn-Jade, Casey Cleavage, Desirae and other great naturals, no model received more reader kudos than Josephine in the April '04 *Voluptuous Xtra*.

www.Autumn-Jade.com

From the erotic to the funky and every picture in-between, Autumn-Jade.com has more exclusive Autumn photos than any site on the world-wide-web.

More fully nude shots? We read your letters loud and clear. Here's one of Marketa, proving that there's nothing wrong with her tummy. Plus, ya gotta love Marketa's dedication, putting the "V" in her pubes to show her loyalty.

The *Voluptuous Xtra* pictorial of a pregnant Josephine getting fucked was hot, hot, *hot*! This babe's pictorial caused my cock to do a furious smoke dance. The shot of her with her legs spread, her pussy opened up, looking at the camera and sucking a big, thick cock caused me to shoot four major loads before I could unzip my pants.

This big-titted pregger's pictures caused me to cum in my pants so violently that after the first two loads, I said "fuck it" and continued to shoot.

Wow! That's a great *Voluptuous* girl.—"Ken," San Diego, CA

GREATEST TITS EVER!

Dear *Voluptuous*,

Sorry to bore you with so many fan letters. I'm just a dirty, old, retired geezer with lots of time to jack off and write letters.

Your 10th anniversary special (March '04) gives me a lot of favorite models to masturbate over and introduces me to a genuine new star named Iva. I'll keep my comments brief so I can get back to jackin'!

Voluptuous Model Search

\$20,000 GRAND PRIZE

WHAT'S THE DEAL?

The SCORE Group is searching for the next Linsey, Sharda, Nicole Peters, Ines Cudna, Via Paxton...the next big-bust superstar. And we're willing to pay big bucks to find her!

So, send in nude photos of your candidates. Polaroids, snap shots and jpegs are all okay. There's no better time to convince that super busty girl you have been admiring that she belongs in *Voluptuous* because on Dec. 1, 2004, we're going to choose the best busty new discovery and give her a lucrative \$20,000 modeling contract.

THE RULES ARE SIMPLE:

Our editorial staff makes all decisions and those decisions are completely subjective and final. This contest is open to any girl who has not appeared in a magazine. If you've been in *Voluptuous* or any other men's magazine, either as an amateur, model or even in phone sex ads, you are ineligible. The winner agrees to take an all-expenses paid, working vacation in sunny, beautiful, exotic Miami, Florida, where she will be photographed for five days in our state-of-the-art studio. The winner also agrees to sign The SCORE Group's standard model release and have her photos published in the magazine and on our website. This competition is open to all residents of Planet Earth, void where prohibited, 18 years old and older only, more legalese is in the official contest rules, which will be provided to all contestants upon request.

The other requirement? Big, beautiful tits! So send in your photos, and you could well find yourself \$20,000 richer! The addresses are: *Voluptuous Model Search*, 1629 N.W. 84 Avenue, Miami, Florida 33126 or score@scoregroup.com.

after being treated in very low-class fashion by one of your competitors.

Boy-girl layouts usually turn me off. Nikki Perez (March '04 *Voluptuous Xtra*), however, is one of those delightful and thrilling exceptions.

With so many favorites all in one issue, I have visual references within one magazine to make comparisons and come up with my choice for the title of "Greatest Tits Ever."

My choice is Jenny.

I know the word "awesome" is used so much today that it has almost lost its meaning, so maybe I should say "awe-inspiring." When you read as many big-boob magazines as I do, one pair of tits can look pretty much like all the rest. And then along comes Jenny and I'm speechless.

Enough writing. Back to jackin'.
—C.J., Philadelphia, PA

MORE FULLY NUDE SHOTS

Dear *Voluptuous*,

Hello to everyone at V-Mag. I did not know about your magazine until last summer. Now, I subscribe to both *V-Mag* and *SCORE* and think they are the best. I wanted to write and give my suggestions, comments, etc.

One of your other readers mentioned "special" issues of *V-Mag*. Personally, I think every issue is special, and I eagerly await my monthly copies of *Voluptuous* and *SCORE*.

I just received my May '04 issue and knew just by the cover that it would be a very special one. I was right. Congratulations to Nicole Peters for winning 2003 Newcomer of the Year in both *V-Mag* and *SCORE*. Also congratulations to Kerry Marie, *Voluptuous* Model of the Year, and Samantha, *Voluptuous* Plumper of the Year. I also congratulate all of the other models who were in the contests, as they are all special.

I have to tell you that in my opinion, 2003 was an excellent year for newcomers, maybe the best ever. So far, it seems, 2004 isn't doing quite as well. Even with Veronika, Iva, Beate and some of the other European girls, we need some new big-boob talent. I hope your talent scouts (readers) are out there right now scouring the globe for those of us who can't.

Girdles and corsets should be lost and never found. Desirae, Brandy and Marketa are perfect examples. Great

Nadine Jansen's tits are amazing. She has one of the nicest racks I have ever seen. I hope we see more of her, and she already has my vote for 2004 Model of the Year.

I would like to see fewer lingerie and teaser shots. I hope this is not becoming the standard for your magazine(s). Most of your models seem comfortable with total nudity.

I have always adored rubenesque, well-built women. But, I also like the slim-n-stacked natural types. Variety is the spice of life, as long as the girls have big boobs, I'll be satisfied.

**WHEN WILL NICOLE
PETERS DO MORE VIDEO?**

Dear *Voluptuous*,

I don't think I'm alone in asking this question, but when will Nicole Peters do another video?

I have *On Location Costa Del Sol*, but I need more. Preferably hardcore. If she won't do hardcore, and I won't hold it against her if she doesn't, will she at least play with a dildo?

Help! I'm dying over here for more of Nicole Peters!—J.L., Texas

Dear J.L.: Take a look to the right for Nicole Peters' video, *Stacked & Packed #6*. This video isn't hardcore, but it does have loads of penetration with a great cast that includes Casey Cleavage, Lisa Sparxxx and newcomer Kellie Garnett. *Stacked & Packed #6* is available in this month's Video Club on page 98.

VOLUME 6

**Kellie
Garnett**

Talk about a lineup. Forgetting Nicole Peters getting off with a dildo (like that's at all possible), *Stacked & Packed* #6 has an awesome mix of *V-Mag* favorites and up-and-cummers. Annie Swanson is a name most guys not living in a cave for the past three years know. And, though *Stacked & Packed* literally refers to big breasts and jam-packed pussies, figuratively it also references Annie's adorably petite yet sexually powerful body. The girl is a fireplug of big-tit lust, and on *Stacked & Packed* #6, she shows you why. So does Kellie Garnett, English girl-next-door from the June '04 issue, who has a body we should all be so lucky to fuck and a voice that belongs in phone sex. Trust us, when you hear Kellie cum, you'll never be the same!

**First
Video!**

Melissa

Talk about breaking your cherry. Casey Cleavage does it on *Stacked & Packed #6* with something hard in every hole except for her ear. Her co-stars, Melissa Carey and Lisa Sparxxx, don't do the three-hole plugging like Casey, but they still fondle their titties and plug their pussies with gusto. Not only will this video make every single guy's Friday evening a blockbuster night, *Stacked & Packed #6* should be required viewing for all couples. Call it continuing education from six girls who are masters at getting off. They know every trick and if your chickadee does what our girls do, your sex life will never be the same. CHRISTINA

Italy's first-ever V-Magger!

It's that time of the month, V-men. Now that you've gotten off with our *Stacked & Packed* girls (pages 11-15), including Nicole Peters' newest video (gotta get that video!), it's game time. And, in honor of the Olympics, we're going around the world this month. On page 52 we have a Hungarian debutante, the Czech Republic is well represented on page 92 with Lenka, England and Wales have a great one each and even the U. S. of A. has more than its fair share. And then there is Italy. You would think, with its beautiful, olive-skinned, rubenesque women, Italy would be loaded. But can anybody think of an "All Stacked! All Natural!" native of Italy? We can't think of one, which makes Christina's debut pictorial that much more special. She's doing an Amerigo Vespucci, bringing rubenesque splendor to America. We only hope she has a lot of peers!

Amerigo who? We had no idea, but Christina did. "He was an Italian explorer. America was named after him." Did he have big tits? "No, silly," says this mature, well-educated and tri-lingual (Italian, English and French) Napoli native. "But, I do!" But, Christina, why aren't there more Italians like you posing? "The culture. Italian women certainly have the right bodies, but they are also very religious and conservative." And you? "I am, too, which is probably why I waited until I was 35 to do it." Why take the plunge now? "*Carpe diem*. Life is short. I live for today." That you do, Christina, and you live it well.

Fortunately for Americans, Christina digs the New World guys. Especially Italian-American men. "They are so different than native Italian men," Christina told us, as she packed for a two-week summer trip to New York City, downright giddy about eating at Angelo's in Little Italy, seeing *Phantom* and catching a game at Yankee Stadium. That and meeting some hot-blooded Italian-Americans. "You ask an Italian man what he does all day, and they tell you, 'We drink our wine, eat our pasta and make love all day.' Then, you ask them what they do at night, and they tell you, 'We go home to our wives.' Nothing against our men, but I would never marry one. Honestly, I'd love to marry an American. They treat their women the way women should be treated. Love, love and more love..." What about a big-boob loving, curvy-body worshipping V-man, Christina? "Now that's *amore!*" Give the girl credit. She certainly has impeccable taste.

the farmer's daughter

He had heard the raunchy tales from other travelling salesmen, but he never believed them...until now!

Erotic Fiction by EVAN HOLLANDER

The man shifted his eyes right to check the illuminated digital clock above the car's stereo. It was just after seven. The car had been running rough for the last hour, and in that time he'd been scanning the rapidly darkening countryside for a filling station or motel.

Nothing.

Jack Morton had never ventured this far south into his sales area before and was unfamiliar with the route. As he continued to drive, the car began sliding on the road and Jack heard that distinctive "flubbing" sound.

"Shit! A fuckin' flat. Out in the middle of *Deliverance* country."

The car kept moving forward, but Jack knew it was only a matter of time before the tire, or worse, more than one tire, was completely gone.

Jack's eyes suddenly opened wide as he saw a house light twinkling in the distance. It was just an old farm house, but whoever lived there might have a telephone. He'd tried his cellular phone several times in the last hour, but he was outside his provider's service corridor.

As he neared the light, Jack heard metal grinding on the road and he knew that he was in deep shit. No spare tire. Not even a can of Fix-A-Flat.

Jack shifted the car into neutral and let it glide the rest of the way to the driveway leading up to the farmhouse. He managed to steer it just into the mouth of the driveway.

A second light winked on in the farm house.

Jack got out of the car, stood for a moment in the driveway...and let out a little laugh.

How many jokes had he heard about salesmen's cars breaking down on isolated country roads?

"You can stay the night if you want, but you'll have to share a room with my daughter," he said aloud, recalling the hook to countless numbers of dirty jokes he'd heard over the years. "Too bad it doesn't happen that way in the real world," he said.

As he walked toward the house, Jack's mind went through dozens of scenarios, none of which had him sleeping with the farmer's daughter. "Probably meet me at the door with a 12 gauge shotgun in his hand and four full-grown sons the size of barns," he mused. "With my luck, this is going to be The Ponderosa."

He stepped up to the door and knocked. A moment later the door opened to reveal an elderly man dressed in a dirty pair of overalls.

"Another one, eh," the old man said under his breath.

Jack hesitated a moment, then said, "My car..." he began, but decided to skip the obvious.

"Son, I've had more of you salesmen breaking down in front of my

house than chickens laying eggs."

"Well, then. I was wondering if you had a phone I could use. I'd like to call for a tow."

"The only one around these parts can help you is Billy Ray Sievert," the old man said in a tired voice, shaking his head, looking at Jack's car. "Looks like you have more than one bad tire. Looks like three. Nothing you can do tonight. Billy Ray don't work past six on week nights. You'll have to wait 'til morning."

"Is there a motel nearby?"

The man continued shaking his head from side to side.

"Perhaps you could put me up for the night, then?" Jack said, getting the strange feeling the old man had heard similar words hundreds of times before. "I'll pay you."

The old man scratched his head, then ran a rough hand over his equally rough and scraggly beard.

"I guess you can stay," he said. "But you'll have to sleep in the same room as my daughter."

Jack's mouth dropped open in astonishment. I don't believe this, he thought. "What did you say?"

"I said, you'll have to sleep in the spare bed in my daughter's room. It's either that, or you'll have to stay in the hay loft in the barn."

"You're kidding me, aren't you?"

"Mister," the farmer's eyes closed into two narrow, almost sinister slits. "Do I look like the kind of man who would make jokes?"

Jack looked at the man's face. It was absent of anything even remotely resembling a smile. "No," he said.

"Well then, come on in."

The old man led Jack through the house and into the country kitchen. He asked him if he was hungry. When Jack nodded, the old man hollered for his wife.

"Edna!"

Jack could just picture Edna, squeezing through the doorjamb and creaking over the floorboards into the kitchen. But before he could paint a more detailed mental picture of the woman, she stepped into the room.

His initial estimates had been kind. She more likely weighed over 300 pounds than over two. Her legs looked as strong as a horse's.

"What's this I hear about a hungry

DENISE DAVIES

The largest, roundest areolae in Big-Tit-Dom? Whose are bigger?

Good question! We have some close-up shots of Denise Davies' humongously round and love-bumpy areolae coming up in a few pages. For now, let's find out what one of our favorite English-ladies-next-door has been up to since the last time we saw her. "Same old, same old." Okay, Denise, that was thrilling. But what about those titties? A year ago you were going through a mid-20s growth spurt. Titillate us with more good news. "Sorry, I'm just a JJ-cup. I was growing some last year. My jiggies were all tingly, and I could feel them growing, but one day I just lost that tingling feeling and I didn't get any bigger. Who knows, in a few more years I may get even bigger. You never know with these babies." *Just* a JJ-cup. Jeez....All women should be so lucky!

Always nice, super-stacked and quite personable, it always amazes us when we watch Denise getting laid on video. In a nutshell, Denise is your classic "lady in the parlor, whore in the bedroom." Heck, even Denise agrees. "That would actually be the perfect description. Prim and proper in clothes, a complete and utter slut in bed. I'm a hungry cock-eater! (Laughing) That's what one of your readers wrote to me, and I just love that description because, well, to be completely honest, it's so true. I love cock. I love it in my mouth. I love it in my pussy. Actually, I really love it in my mouth more than anything. I don't know why. I can't explain it. I'm just a hungry cock-eater! At least I'll never starve to death!" Damn, see why we love Denise Davies? Huge tits and a "hungry cock-eater." Does it get any better?

Normally, Denise's areolae are as smooth as porcelain. They get all pebbly when she gets aroused, which by the looks of her *V-Mag* layouts, is all the time. "Not all the time, but definitely when I'm posing. It's exciting. You guys [editors] get to look at this stuff all day. Me, I do it a few times a year. It's a thrill. I know you hear this a lot. But to think of all those guys getting excited over my pictures... This is as good as it gets!" We couldn't agree with you more, Denise.

SUNSHINE

Break out your lotion, boys...SPF...38G!

Summer is coming, the beach beckons and a great set of tits and a gorgeous ass are a terrible thing to waste! Thankfully, Sunshine loves to share. One of the finalists for *V-Mag's* 2003 Newcomer of the Year contest, was Sunshine upset that she didn't win the whole shebang? "Hell no! I mean, seriously, I was just happy you guys called me back to pose again!" Yep, she's a ray of *Voluptuous* Sunshine, this curvy, effervescent Denverite is, and when we called her for another look at where the sun isn't supposed to shine, she dropped everything and hopped the first flight for the Sunshine State.

An avid skier and biker, you can find Sunshine sliding at Keystone wearing a form-fitting thingamajig or biking in Cherry Creek wearing basically the same thing. "I love showing off my body, even in Denver which is pretty conservative. All my friends know I pose. Hell, we even had a party after skiing in this hotel in Frisco watching *Voluptuous Xtra* #7! That was wild! I mean, I had a lot of dates before I posed. But now...It's like everybody wants a piece of me! I love it!" Jeez, look at her. What's not to love?

Hey, it's a beaver with fur! And a juicy looking one, too! Where can you see that pelt getting pounded? Hey, you've cum to the right place, boob-men. Head on over to the Video Club on page 98. *Voluptuous Xtra #7* is one of this month's featured flicks, and it has an all-star hardcore lineup, including Sunshine's XXX debut. Now in judging videos, we admit, we are a bit biased. We're Florida boys here at *Voluptuous*, so we love Sunshine. For objectivity we'll defer to the lady herself. "I swear, it's so hot, I had an ex-boyfriend call me up after seeing it and he said, 'Honey, I had no idea you were *that* great in bed!' Not to be too conceited, but whenever I see the video, I think the same thing! And I cum so much from watching it! What can I say? It gets me so hot, I have to do myself. Know what I mean?" Trust us, Sunshine, we know exactly what you mean!

JEZHABELLE

Big Tits Good! Little Tits Bad!

So sayeth the caveman in all of us. Yes, boys, break out your clubs and get in that Jurassic Juggs frame of mind. It's "Return to the Planet of the Busty, *Voluptuous* Babes" time, or something like that. Jezhabelle is the star, and yes, we know a lot of you old-timers are rather partial to Raquel Welch as the numero uno "cave-woman-adolescent-jack-fantasy--girl" of all time. But we're going with Jezhabelle. After all, we never got to look up Raquel's bung-hole.

A fan of porn, Jez always wanted to do the cavewoman theme, so we figured, why not? It's her fantasy, too. "It would be better if I could watch all of the guys shoot." Yep, Jez digs the guy gravy. "That's my favorite part of porn. I have like a thousand tapes, and I love to see the guy cumming in the girl's face... seeing it spurt out..." Well, Jez, if you love that, you're really gonna love this. It's 21cc salute time, V-men. Ready...Aim...Fire!

Life size! Or, almost! That's the beauty of Jezhabelle. We could blow her boobs up over both of these pages and that still wouldn't be enough room. Her ass. That voluptuously curvy and round ass...that would take about five or six pages. Credit the Golden Corral and all of those buffets catering to Fort Lauderdale families. Jezhabelle loves them, and she loves talking to fans who recognize her, so don't be bashful the next time you're in South Florida and you see a woman who looks a lot like this. Go on up, make your best pitch, and get ready for Jezhabelle to get all giddy. And chatty, too. We interviewed her in the Feb. '04 *V-Mag*, and the girl can definitely carry a conversation. Good, sexy talk. Not that boring crap we have to listen to in bars just to get laid. Though, looking at Jez's assets, would any of you care if she was a mute? We didn't think so.

READERS'
HOT, SECRET
CONFESSIONS**

Okay, boys and girls, get ready to cum...often. We have an erotic and damned raunchy confession for you this month from a female reader who has a lesson for all men...take the time to please your woman or else she'll find somebody who will.

And chances are this confession will turn your house, apartment or... office...into a den of masturbation once you start reading it.

How do we know?

From experience, V-men.

And, as always, if anybody else out there has an experience you feel like sharing, or you just want \$100 to spend, send in your X-Rated File to: 1629 N.W. 84 Avenue, Miami, FL 33126.

Don't know if your story is good enough. Start reading Jennifer's confession. If your X-Rated File is anything like her's, send it in.

UNHAPPY HOUSEWIFE

Dear X-Rated Files,

My name is Jennifer, and I'm living the married life I always imagined my grandmother living-catering to a man's needs and wants while listening to all of the promises of how we'll talk in the

morning to promises of him showing and telling me his true feelings to promises of him giving me everything I ever wanted, just to have every single promise broken.

I'm only 25 years old, so I'm still wanting that wild, partying, no-strings-attached lifestyle I was used to living until three years ago. As an alternative, I'd settle for a man who cares about me, even just a little bit, and wants me to be pleased, if only a little bit. Now I'm nothing more than a sperm depository.

My sex life consists of no foreplay. I stroke his cock until it's hard just to hear "on your knees" or "get into doggy-style" to do *his* duty and please him until I get the exciting opportunity to watch him go to sleep.

Well, that was my sex life until I met Jesse and her very sexy, well built, good looking and sexually pleasing (at least that's what Jesse was always telling me) boyfriend, Brad.

When we first met, we would get together at a bar and have some drinks. We got along so well, and there was always a lot of not-so-innocent flirting.

It became a ritual-an eagerly anticipated one on my part-and now, every

Thursday, I announce to my husband that I'm going to my weekly paint class as I walk out the door, my heart beating faster and faster with excitement to see Jesse and Brad.

This particular day, we found ourselves at our regular bar and grill. But within an hour and after only a few drinks, we all decided to go over to their place to spend the afternoon.

I was excited.

As we drove over, my mind played out all kinds of fantasy scenarios. But I didn't want to get my hopes up too much only to be disappointed, so I convinced myself that it was all very innocent-just three friends hanging out for the afternoon watching cable television and getting drunk.

As I entered through the front door, Brad flicked on a switch, turning on some track lighting. It was soft and bubbly (if that makes sense), but it was enough light for me to see the surprise Brad had for Jesse and me.

Laid out on their black, soft leather couch was a matching set of bras and panties with thigh highs and high heels-one in black and the other in red.

KRISTYNA

Horny for some Hungarian Hooters?

We've got you covered. Beginning with the legends Georgina and Ildiko, who starred in the first issue of *Voluptuous* a decade ago in 1994, to now, we haven't seen many "brick shithouse" sex goddesses come out of that hooter hotbed of lore—Hungary. Enter Kristyna, 5'10" and 170-plus pounds of Hungarian hottie who is ready to start a tradition all her own.

Born and bred in Budapest, Kristyna is a conservative school teacher by day and a wild party animal by night. Her English isn't the greatest, although she speaks fluent French, and she's posing because of the age-old reason... We asked. One of our lenswomen (yes, chicks are photographers, too) was cruising Prague for talent, went over to Hungary and saw Kristyna walking her class of eight-year-olds on a city street. Kristyna's dress was conservative, but our photographer couldn't help but notice that she was thick in all the right places. A business card and phone numbers were exchanged, and the next day Kristyna was getting schooled in the world of *V-Mag*. She's a fast learner, isn't she?

Fortunately, we're not the first guys to see this round ass in pictures. Kristyna has posed for some sexy grab shots—Polaroids guys hang up in lockers and show to their friends in back alleys. Hey, we said earlier Kristyna had a wild side. Between the two in the morning vodka shots and the dancing until four and the erotic nudie pictures she lets boyfriends take of her as mementos, it kinda makes you wonder...How many other teachers are like Kristyna? Yeah, we got your memories running on overdrive now, don't we? And if Hungary can produce great babes with Amazonian dimensions and legendary proportions like Kristyna, where the hell are the rest of them? Here's hoping it won't be another 10 years before we see another.

Brad did one of those fake coughs to get our attention. Then, he pointed at me saying "red" and pointed at Jesse to indicate black. With a wry smile, he looked at both of us and said, "Ladies, if you would please change and meet me in the bedroom in 10 minutes, I have a surprise for both of you."

We changed right in the living room, not even bothering to check each other out as we stripped out of our clothes. We were both so excited, we just flung our clothes off and got into the lingerie.

I was the first one into the bedroom, and when I saw the king-sized bed with red satin sheets shimmering from the countless candles around the room and Brad in his sexy boxers sitting in a chair across the room with his feet resting on the bed, I got a sexy, tingling sensation all over my body.

"Hello, beautiful," he said with a wink and a sexy smile as he started putting his leg up for me to sit down. I got within an arm's length from him when he grabbed my hips, squeezing and pulling me towards him.

His hands rubbed from my hips up to my stomach and to my naturally big breasts—38DD size and really, really nice. Brad caressed my breasts causing a tingling sensation to go up my back. I felt one of his hands go slowly down my body, stopping at my thighs for a moment, then going all the way down to my ankle. His sweet voice whispered, "You sexy thing, you."

Then, Brad sat up, his hand resting on my thigh as he said, "Well, my lovely ladies, now it's my turn."

Then, he lifted his legs off the bed and adjusted himself in his chair, sitting with his legs spread, feet planted, like a king on his throne. I wanted more of his rubbing hands all over my body, and I leaned down towards him and softly kissed him on the lips.

He interrupted me and said, "On the bed, babe!" With a simple point towards the bed, he directed me back onto the sheets, and I submitted.

My excitement grew as I crawled onto the bed, not knowing where we were going with all of this, but dying with anticipation to find out.

"Jesse, why don't you start kissing her all over. Rub and touch every inch

of her voluptuous bod, but don't spend too much time in any one place until I tell you to."

I was surprised at the way I had become a sex servant of my own free will without even a hint of objection, just as Jesse was. I did exactly as he said because my excitement, desire and eagerness for him was growing rapidly. I wanted Brad to watch me, and I wanted to see what he wanted me to do to please him, and myself in the process.

I could feel Jesse's warm, moist, sexy breath on my skin before her lips even touched me.

"Feel her pussy. Don't move her panties!" Brad said.

Jesse obeyed.

"Oh, it's so hot. Can I taste her? Please, I want to taste her so bad!" Jesse said in her low, throaty voice.

"Sure, you can taste her" he answered, and with that Jesse pulled my panties just a bit to the side exposing my plump, well shaven kitty. Her fingers slipped slowly into my slit, spreading my pussy lips open to see my sweet, juicy honey hole, glistening and wet with anticipation.

Then, I heard Brad moving his chair for a better view. As he leaned on the bed to see, he said, "Jess, you better taste it before I do!"

As she flicked her tongue on my clit and rolled her tongue over and around it, my hips were grinding in a circular motion. Then, Jesse rammed her face into my pussy with her tongue right in my hole over and over, harder and harder. I pushed my hips forward into her, my hands gripping the sheets to hold on as I felt my pussy getting wetter and wetter.

Without warning, Jesse stopped and looked up at me. I was breathless and barely able to say anything.

"I'm pleasing you, huh?"

Catching a breath, I managed to whisper, "Hell, yeah."

"Your juices are all over my face and you taste so good. You're so hot, Jenn, so hot!" Jesse whispered in her sexy voice before she hungrily began tongue fucking my sweet hole again.

I was about to explode from all of the sex sensations. I felt it gathering inside me and with one flick of my clit by her tongue, my back arched and her hands grabbed my hips making sure escape was impossible. My hands gripped the sheets so tightly, they started to hurt,

and I screamed out "Oh yes! Oh yes! I'm cumming! I'm cumming!" as the orgasm completely overwhelmed me.

Jesse didn't slow down and buried her face even deeper into my pussy, afraid of missing even one drop of my pleasure juice. When my body finally relaxed from the most pleasurable experience of my life, she slowed down her sexual assault on my pussy.

I was totally spent, but somehow, after a few seconds, something took over and I wanted Jesse more than I have ever wanted anything in my life.

I eagerly stripped off her sexy panties, seeing her neatly shaven pussy, with only a thin strip of hair above her clit, and that got me even hotter.

Brad was breathing hard from his bedside view, rubbing the bulge in his plaid boxers making the button on the front nearly rip off.

Exploring the lips of her pussy with my index finger and feeling the wetness increase every time I teased her clit, when my finger finally penetrated her wet, hot hole, Jesse started moaning and kept on moaning each and every time I finger-fucked her pussy hole.

When I stopped, Jesse begged for more, so I planted my tongue deep into her pussy hole. She started screaming in passion, swearing and yelling for more, for me to tongue fuck her more, and she started moving her own hand all over her clit as I tongue fucked her pussy. Rubbing around and around, the faster she rubbed herself, the faster I would tongue fuck her cunt. Within seconds, her legs started to quiver and then she hunched up over my face while she came, unlocking a soaking load of her cum all over my face.

Brad had been sitting on the edge of the bed, rubbing my plump ass and massaging between my thighs, teasing me by almost touching my pussy. That teasing made my honey hole throb for his hard dick inside me.

When I rolled over on the bed, I made sure my ass passed before him as an invitation and my plan worked.

Brad grabbed my hips, pulling my ass to his cock. I teased him with a short rub of my ass cheeks across the head of his cock. He laid back on the bed with his feet on the floor, and I mounted his rock hard dick. I felt the head trying to push in, and I heard him say, "Oh yeah, baby, you're so damned tight!"

Then, he pulled me all the way down

on his hard shaft as I moaned out loudly and felt that good kind of hurt buried deep inside me.

To start off, I barely moved trying to get used to his dick in my tight hole. Holding on to the corner post for support, I bounced up and down his shaft and before I knew it, he pushed me up and off his cock as he blew his load.

Jesse, now kneeling at our side, inserted Brad's cum-dripping dick into her mouth, sucking both our juices off, right into another erection.

When he was rock hard again, which didn't take long, believe me, Brad bent Jesse over as he stood up, leaning her on the bed, and fucked her asshole hard as I rubbed and slapped her on the ass. He shouted out as he filled her asshole with more of his hot cum.

When he told her to suck it clean, it still had a hardon. Looking over at me, he smiled as he put his hand on the bed. I moved over into the middle of the bed as Brad moved between my thighs and fucked my pussy yet again. My pussy was still tight and he pounded me like crazy. I was lying there getting the best fucking of my life, and I just knew my eyes were rolling back in pleasure. After what seemed like an eternity of pleasure, he filled my pussy with his hot cum.

While his dick got soft inside me, he kissed my breasts and asked if he could have more of me in the future.

With a smile, I said, "Of course."

Now I need to extend my days in paint class or join more classes to get away from my self-centered husband.

If he only knew it was really "pleasure class," maybe he would care. I doubt it. Whatever the class may be, I'll be sure to give you more class reports.

30-Something And Still As Hot As Your Balls!

You guys know how vacations go, don't you? It's freezing ass cold in New York State, so you do the snow-bird thing and head to South Beach for a week, get some sunshine, eat some stone crabs, show off your asshole and nipples...that kind of stuff. In a perfect world, every woman would be like Ivy, *V-Mag* girl from years past. Unfortunately, it isn't a perfect world, which is what makes Ivy so damned special.

A housedancer from upstate New York, Ivy first posed way back in the March '01 *Voluptuous* on a whim. Her friends bugged her to send in some pictures, and just to get them off her back, Ivy snail-mailed us some Polaroids, thinking we would politely tell her she wasn't good enough. Instead, we flew her down to our Miami studio, and Ivy has been sort of a *V-Mag* tradition ever since. Posing once a year, every time we see Ivy nekkid, we're amazed. With lots of women, they start losing the magic with every passing year. In Ivy's case, she just keeps getting better and better!

For this pictorial, Ivy came down to Florida on her own and just showed up at our door. "I figured, while I was down here, I might as well pose," said Ivy, who had two other reasons. "One, I was on Miami Beach and some guys were trying to pick me up. They were just trying to get laid, but it got me to thinking that I hadn't posed in a while. And if those young guys wanted to see me nekkid, maybe the *Voluptuous* guys would, too." Good call, Ivy. And, the second reason? "I needed some extra money to go on one of those gambling cruises? Play a [Texas] Hold 'Em tournament." Big tits and poker? Jeez, talk about a great date. How'd you do, Ivy? "I didn't win the tournament. I was 'all-in' and my pocket kings got beat by aces. But I did get to pose again!" Which makes us all winners. Thanks for stopping by, Ivy. See you in a year!

A V-Mag reader shows off his woman!

Let's see if we got this one straight. China's boyfriend is a professional gynecologist and an amateur photographer? Or, is it vice versa? "Actually, he's a professional pervert, God love him! Plus, I think he's the #1 *Voluptuous* fan in the world! Personally, I think I'm too skinny, but he wanted to see me in the magazine. That's all he has talked about since I met him. *V-Mag* this, *V-Mag* that. Finally, I said, 'Take some pictures.' I don't want to pressure you, but I swear, he'll die if you don't put me in." No CPR necessary, China. Welcome to *V-Mag*!

THE FARMER'S DAUGHTER

man in my kitchen?" she said, walking over to Jack and bending over to shake his hand. Her hands were meaty, and her grip was stronger than his own, but the smile on the woman's face was friendly, and Jack instinctively began to feel at home.

"I got a few flat tires in front of your farm," Jack said.

"Well that's just fine," she said, moving to the stove. "Harlan, go see that the bed for Mr..."

"Uh, Morton. Jack Morton."

"...for Mr. Morton is ready. Then call in Emmylou and tell her she's got company tonight."

The old man left the kitchen without a word.

Jack didn't hold out much hope that Emmylou would be any more attractive than her mother had been. She was probably quite homely, since that would explain why Harlan had no problems with Jack sleeping in the same room as the girl.

Edna slid a plate of chicken and potatoes in front of Jack. He was just about to chow down when Emmylou entered the room.

The fork slipped from Jack's fingers and clanged against the plate like a door chime.

Emmylou looked to be in her late teens or early 20s, and she was as stunning as the sight of a fertile valley gazed upon from the top of a hill.

She had long blond hair, tied back in a pony tail. Her face was fresh with pink cheeks and wide blue eyes. Her breasts swelled out from her chest like two round pumpkins and were barely contained by the knotted red and white checkered shirt tied just above her navel. Through the cotton fabric of her shirt, Jack could make out the large, dark circles of her areolae sitting high up on the breast. From the center of the circles, two hard, thick points poked against her shirt.

Below her exposed flat belly, a pair of extremely short denim cut-offs hugged the perfect curve of her ass cheeks and the inviting slit between her legs. In fact, the denim around her cunt was faded, outlining her labia in fascinatingly detailed relief.

Emmylou didn't say much while

Jack ate his meal, but Jack didn't mind. Edna was a more than genial hostess who was happy to talk about everything from the weather to pork futures. Jack found himself constantly distracted and hardly listening most of the time. Emmylou was simply gorgeous to look at, and he especially liked the way their tits pancaked on the table top whenever she leaned forward. It was a sight that kept him hard all through dinner.

It was after nine p.m. when he finished eating. As he cleaned the last bits of food from his plate, he thanked Edna for the hearty meal.

"My pleasure," she said in a way that suggested she'd found herself feeding and lodging unfortunate salesmen a number of times before.

When she was done cleaning up, she said good night and then chased Emmylou off to bed. The girl smiled at Jack, then went to her room.

Jack looked at his watch. "Isn't it a little early for bed?"

"Not when you get up before the sun," Edna said. "Harlan's been asleep for hours. He'll be up milking the cows well before dawn." Jack strained to listen for Harlan sleeping. True enough, he could hear the farmer in the bedroom sawing wood.

Left alone, Jack wandered around the house trying to make himself comfortable until he finally decided to turn in around 10.

When he entered the bedroom, Emmylou was asleep on her bed wearing a thin night shirt that was open down the front and hiked up over her thighs. She was wearing a pair of panties, but they were nothing more than a tiny slip of fabric that failed miserably in the attempt to cover her pussy. Her legs were spread wide and her hands were folded over her chest, pushing her boobs together in a mass of swollen, heaving breastflesh.

Jack admired the girl's sleeping form for several minutes before deciding to get ready for bed. He undressed quickly finding his cock already stiff and throbbing. He slipped under the covers, hoping his boner would fade before he got a severe case of blue balls. He tossed and turned on the bed for several minutes before the long day got the better of him, and he fell asleep.

He awoke sometime later to find his cock in Emmylou's mouth. Her lips sucked and kissed his swollen head, then circled his shaft as she took him inside and tongued the underside of his dick with the flat part of her tongue.

At first, Jack thought he was dreaming and began moving his groin, first in circular, then up-and-down motions. When she let out a throaty moan that sent electric spasms of pleasure running up and down the length his cock, he realized it was no dream.

He also realized that this entire scenario was not some locker room joke. This was real.

"I'll be damned!" he thought. "It really does happen this way."

"What are you doing?" he said, expecting at any moment to have the old man come charging into the room with a gun in one hand and a preacher in the other.

"Don't worry," Emmylou said, taking his saliva-soaked cock in her hand and rubbing the head of his prick against the stiffened nipples of her tits. "Ma and Pa sleep like bumps on logs. I can have you all night long all to myself if I want."

"All night long?" Jack mumbled, amazed at how thick and stiff her nipples felt against his own stiff and thick cock. "I bet you could."

She let her tits fall on top of his shaft, burying it completely in flesh. Then she began moving her body back and forth as if she were being fucked from behind. The motion dragged her pendulous breasts along the length of his cock, caressing it with warm, soft flesh. Then, with each pass of her makeshift massage, she lapped at the exposed head of his cock as it poked out from between her huge breasts.

"Salesmen like you have been breaking down in front of our farm for months," she said at last. "It began with just one or two, but then after a few weeks, they've been stopping more regular, one or two a week. Ma and Pa don't mind all that much since it's kept me from leaving the farm to look for a man. I just wait here and they come to me."

Jack was dumbfounded. It was crazy, but this meant that all those stories...all of the jokes...were at least

partly based on the truth.

Jack felt her tongue run the length of his shaft and his train of thought was derailed by a wave of pleasure.

She adjusted herself on the bed and continued giving his cock a bath with her tongue. When she had him fully slicked, she sat him down on the edge of the bed and began tit-fucking him in earnest.

She spread his legs wide, then corralled her bulbous breasts in her hands and wrapped them around his stiffly erect cock as if it were a fence post. She worked his dick vigorously, as if she were getting as much pleasure from the tit fuck as he was. But for all her enthusiasm, she was careful never to let his shaft get too dried out from the heat and friction.

After every four or five pumps with the cunt-shaped tunnel made by her tits, she pulled herself away and lathered him up with a long, slurpy suck, before resuming the tit-fuck.

After several more minutes, Jack found himself ready to explode.

But not wanting to come just yet, he pulled her up onto the bed and laid her down on her back. After taking the time to watch her tits pancake against her chest, he positioning himself between her legs and he lifted the tiny brief covering her now sodden cunt. Her clit was large and stiff, standing out a good quarter inch from the dark brown lips of her labia.

He lowered his head to her pussy, pushing his tongue deep inside her. He tongue-fucked her several times before tracing the folds of her inner and outer lips with the underside of his tongue.

The more he licked her, the more responsive she became. After tracing lines up and down the length of her pussy with his tongue, he settled on the swollen pink nub of her clit.

He began flitting his tongue against it and letting it vibrate slightly after each gentle touch. As his tongue darted against the sensitive spot of flesh, he glanced up the length of her body and saw her holding a massive tit in each hand as if they were water-filled balloons. The more he licked and tongued her clit, the more forcefully she caressed and tugged at her breasts.

Another lick and she was squeez-

LORNA MORGAN

Still picture-perfect with a body to die for.

Well, it's about time! Readers have asked for more of the Welsh Wonder, and after a year-and-a-half *V-Mag* hiatus, Lorna is back, looking just as perfect as she was when she first started modeling in the April '99 *Voluptuous*. Still affable and adorable in person and oh-so-stunning in body, it's good to see that the more some things change, the more Lorna remains the same.

A *V-Mag* Model of the Year fixture, having been a finalist since she first started modeling and finishing in the top five for the second year in a row in 2003 despite never appearing during the year, popularity is what Lorna Morgan is all about, and she has few peers. How popular? Lorna's video, *On Location Key Largo*, is one of the best selling videos of all-time. And it's X-Rated, with no Lorna insertion or hardcore. Sure, Chaz and Kerry Marie have something to do with the video's success. And the camerawork, direction, makeup...yada, yada, yada. What do we think? We just dig Lorna Morgan's pretty face, friendly eyes, creamy skin and perfect tits. Videos, magazines...Hell, if Lorna Morgan was on a postage stamp we'd buy it. Something tells us we're not alone.

The eldest of eight children (three brothers and four sisters), but the only one blessed in the genetic lottery of big boobs, Lorna Morgan is as eclectic as she is beautiful. A big-time fan of Anne Rice novels (*The Vampire Chronicles*), Lorna admits she has a vampire-fetish, though she's not a dress-in-black goth-type. She loves chianti and merlot, Chanel No. 5 perfume, Van Gogh art and Madonna music. Sexually speaking, Lorna has some sex toys in her bedside table that she uses whenever she is feeling "a bit lazy;" loves gentle nipple sucking and stroking ("simply awesome"); has no particularly favorite sexual position though she loves spoons, missionary and 69 ("I'm quite old fashioned"); could care less about a big dick ("I'm a tight girl down there so really big ones are wasted on me. It's all the other things that go with sex that make it wonderful. I especially love being kissed on my neck."); and, for those of you looking to give Lorna the old college try, she can be found drinking in Cardiff pubs like Bar Cuba, Flares, The Monk, Ha Ha's, Life, Liquid and The Square. What else? Oh yeah. Lorna takes a good picture—always has, and from our latest look, always will.

THE FARMER'S DAUGHTER

Continued from page 82

ing each tit so that the nipple and areola juttied upward, quivering in the air, aching to be sucked.

A few more licks and...

She lifted her tit toward her mouth and sucked on her own nipple.

Jack had never seen a woman suck on her own nipple while lying on her back. He was amazed by the sight and more than a little turned on.

He took her clit fully in his mouth and began sucking on it, gently at first, then more forcefully.

Emmylou began to buck beneath him. She ground her crotch against his mouth and let out a series of long, tapered moans.

Jack continued sucking until he was sure he had her on the verge of orgasm. Then he released his vacuum hold on her cunt and slid his long, thick cock into her slick, waiting hole.

Emmylou's eyes opened wide and her nipple popped from her mouth as she let out a gasp.

She wrapped her legs around Jack's waist and held her tits in her hands as if they were soft cushions designed to break Jack's fall.

"I hope you haven't forgot about these," she said. "I can suck on them all night, but what they really need is a man's touch...a salesman's touch."

Jack felt his cock being sucked up inside her cunt all the way to his balls. He fell forward, his lips instinctively finding their way to her inch-long teats.

He began sucking as she held each tit to allow him easy access to her nipples. He pumped his cock into her with long, slow strokes. But as she fed more and more tit into his hungry mouth, he began to fuck her faster and faster until...

Her body spasmed and quaked, and then she moaned as if she were saddle sore from a long, hard ride.

Jack came with her, shooting long bolts of white lightning inside her.

When he was done, he rolled off and lay beside her, massaging her tits and rubbing her pinky-thick nipples between his thumb and forefinger.

"That was pretty good for the first one," said Emmylou. She slid down Jack's body until her head was nes-

tled between his legs. "But Ma always says men are like dairy cows."

"Oh, yeah," said Jack wistfully. "How's that?"

"The good ones give milk at least twice a day."

She took his limp cock firmly in her hand and slowly guided the tip into her mouth.

Despite the short recovery time, Jack was already starting to get hard.

He awoke with bright beams of sunlight shining into his eyes. He was alone in the bed and the other bed was empty.

He quickly got up, dressed and made his way to the kitchen. There was a place set for him and some food on the plate.

He ate alone, put the dishes in the sink and went outside.

There was an auto repair shop's truck in the driveway and three used tires on the ground.

"Probably all set to go," came the voice behind him.

Jack turned to see the farmer approaching him with a smile.

"I called Billy Ray early this morning. He's been working on your car for almost an hour."

"Great. What's the damage?"

"The car is Billy Ray's business. As for me, no charge. Return the favor when I get out to the big city."

"You sure?"

The man was silent, held out his hand, shook Jack's then walked back into the farm house.

Billy Ray wasn't as gracious, but he did take credit cards and didn't screw Jack too much.

As he started up the car, another sedan was coming down the highway, two tires already flat, running on the rims. It stopped just past Jack's car. A man got out of the car, looking very much like a...salesman.

That's a coincidence, thought Jack.

Driving away, Jack was smiling, thinking that all in all, he had a great night. He needed to get more flats.

Jack would have smiled more had he seen Emmylou come out from some bushes on the side of the road, blow him a kiss as his car drove away, then reach into a bag and throw some tacks onto the road before sneaking back into the bushes and back home to meet the next salesman.

LENKA

Her final photos? We sure hope not!

Yes, we know every V-man has his favorites, and we've had some great ones this month. But, we're going to go out on a limb here and say that we've saved the best for last. It isn't that much of a reach when the girl is Lenka and her tits are the size of beer kegs! A former *Voluptuous* covergirl (Feb. '02), Lenka is our favorite Gypsy-girl who, unfortunately, has taken the nomadic lifestyle to heart and has moved from her homeland of the Czech Republic to parts unknown.

Rumor has it that Lenka has moved to the south of France. At least that's what a photographer friend of ours said when he found her selling mango sorbet in Avignon. We managed to get these photos of Lenka, who has developed a cult following amongst readers for her exotic look and melon tits, before she went incommunicado one more time. Now, she could be anywhere. Will Lenka go the way of C.J.—a lady with the boobs for greatness, but the desire for anonymity? Talk about a crime against humanity. Thankfully we have some loyal French V-men combing towns from Marseilles to St. Remy to Aix. Their mission? Find the lady with the biggest boobs imaginable. Chances are, she will be Lenka.

ROXIE

Voluptuous Housewife's XXX Fantasy!

Ya'll asked for Feb. '04's Roxie riding the baloney pony, and here ya go! And, no, that ain't her husband. That's one of our California pistoleros. Roxie's man is doing the same thing you're doing—pounding his pud while Roxie lives out her fantasy...getting fucked silly in a *Voluptuous* pictorial!

Go ahead and call her the little housewife who could, because Roxie can take it all. Granted, that isn't the thickest cock we've ever seen, or the longest. But that's what Roxie wanted, and at *Voluptuous* we aim to please. "I have a really tight pussy. It's almost like a virgin asshole, it's so tight. You put me in there with one of those eight or 10 inch guys and they'd freaking kill me. I'd be making all kinds of funny faces. It wouldn't be any fun at all. They're too big for sucking and for humping. But give me a six or seven incher, not too thick either, and that's perfect. I can take the whole thing down my throat, which I really love to do, and it fills my cunt good—gives me that well-stuffed feeling, makes me cum like crazy, know what I mean?" We're starting to, Roxie.

So, Roxie, what's your hubby think of all this? "Are you kidding? He loves it! After all, it's not like I fell in love with what's-his-name and am running off with him. This is just a sexual fantasy. Plus, I asked my husband if he wanted to do it with me, and he told me that it would be much hotter if a porn stud did me. He did get a bit jealous the whole week after these pictures were taken. He was playing all kinds of mind games, being sarcastic, and finally I just told him... 'Honey, stop it! You'll be jacking off more than anybody to these pictures. Plus, that guy got me once. You get me for your whole life.' And, he can always watch the video." Jeez, Roxie, we were going to surprise everybody. It's still in production. No title yet. But Roxie will be there. And Mr. Roxie. He'll be jacking off when he sees it. His favorite housewife, and ours, guarantees it!

MARIA MOORE

Our June '04 covergirl and *Stacked & Packed* #5 star takes every inch of rigid man-meat down her throat in her XXX-rated hardcore debut pictorial.

Ever since Maria Moore debuted in Oct. '03 *V-Mag*, you've been wondering what Maria Moore looks like with hard cock planted between her soft lips and huge tits. Your editors have been pondering this too, trying to fantasize how she would be fucking a dude. Well, stop your agonizing. The frustration is over. You're about to see exactly how well Maria takes dick-tation and the results will hypercharge your nuts as your eyes soak in this pictorial. "I'm a doer when it comes to sex," Maria told us at *Voluptuous* HQ. "I don't like to lay back and have everything done to me. I like participating in the event."

"I have a theory about the first date," Maria told your puzzled V-editors. "I think you should have sex first. Why waste your time having dinner with somebody you don't like? I think you should just get it out of the way and find out if the sex is good, and then, if it works out, have dinner. I believe in him coming in first and fucking me. I invite him in and have sex. That's my preference. I've been rejected a few times and had a few bad dinners, but it usually works out to both of our advantages. We have sex and we relax during dinner. We have a better date, and, of course, we like each other more. I think that's a better way." What a great theory.
